

Accounting, A.A.S.

[AAS-ACT; CIP Code 52.0302]

**Associate in Applied
Science (A.A.S.) – Career**

The goal of this program is to provide basic accounting knowledge and skills for a career in the accounting field. This program has additional globally recognized accreditation through the Accreditation Council for Business Schools and Programs (ACBSP).

Program Learning Outcomes

Students who have completed the program will be able to:

- Interpret, analyze and communicate financial and managerial information for decision-making purposes
- Understand and create financial statements in accordance with generally accepted accounting principles
- Demonstrate computer literacy and competency with accounting spreadsheet applications
- Meet qualifications for entry-level positions in accounting or upgrade one's professional competence
