MELANIE BENJAMIN**

LUCIANO THEATRE  
GAURANCINI ARTS CENTER

From the *New York Times* bestselling author of *The Aviator's Wife* comes the harrowing, little-known tale of courage inspired by the devastating storm that struck the Great Plains in 1888, threatening the lives of hundreds of immigrant homesteaders, especially schoolchildren.

**Melanie Benjamin** is the author of three *New York Times* and *USA Today* bestselling historical novels including *The Swans of Fifth Avenue* and *Mistress of the Ritz*. *The Children's Blizzard*, Benjamin's latest novel, has been named one of the top ten books of January by *The Washington Post*, one of the most anticipated historical novels of 2021 by *Oprah Magazine*, and a January Indie Next Pick.
