STUDENT FACE COVERING AND SOCIAL DISTANCING IN PANDEMICS

Face Coverings

All students are required to wear face coverings while on campus and at clinical placement/internship sites.

- “Face covering” is a general term that may apply to any of the following:
 - Scarf
 - Bandana
 - Homemade face covering
 - Commercially-purchased disposable or reusable face covering
- A covering will be suitable if it can tie comfortably, cover both your nose and mouth.
- A face shield alone is not an acceptable face covering per CDC guidelines.

Students must wear a face covering to enter and while present in any academic, administrative, residential, food service, or recreational building.

Additionally, students must wear face coverings in any outdoor location on campus including walking to and from class where six (6) feet of physical (social) distancing is not possible. Students who report to campus without a face covering will have one provided by a campus employee or representative.

Students are permitted to remove their face covering to eat and drink as long as physical distancing (6 feet) is maintained.

Students who are unwilling to wear a face covering may only participate in remote learning.

If a student is not able to wear a face covering due to a documented disability or medical reason, the student must seek an accommodation from the Special Services Office prior to arriving on campus.

Social Distancing

Students must maintain six (6) feet of physical (social) distancing at all times on campus, whether indoors or outdoors. Residential students should refer to their Residence Hall Contract for further guidance on common areas and living spaces within the residence halls.

Enforcement

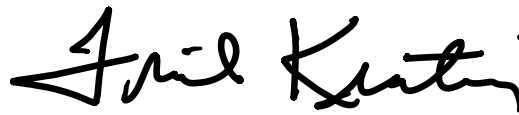

Should students fail to comply with the face covering directive, they will be referred to the Office of Student Affairs on the Gloucester Campus or the Office of Judicial Affairs on the Cumberland Campus for a disciplinary violation under policy *8007 Student Code of Conduct*.

Students who fail to comply with the above rules are subject to immediate removal from the campus by campus security and possible sanctions under administrative procedure *8007 Student Code of Conduct*.
