

## **Rowan College of South Jersey**

Administrative Procedure: 8405

### **TUITION WAIVERS FOR STUDENTS AND COMMUNITY**

In accordance with Board policy, the following procedures have been adopted to ensure the efficient processing of tuition waivers.

#### **Tuition Waivers Requiring Free Application for Federal Student Aid (FAFSA)**

Currently, this includes Unemployment, National Guard, and New Jersey Student Tuition Assistance Reward Scholarship (NJ STARS) waivers. Students must complete a FAFSA application as well as any and all documents required by the College's Financial Aid department.

##### *Unemployment Waivers*

1. Individuals must supply proof of eligibility from the Department of Labor's Division of Workforce New Jersey.
2. Individuals must apply for admission to the county college within their county of residence. The College may require proof of acceptance.
3. Students must **not** register before a specific date each semester (date determined by the Office of Financial Aid).
4. Students are responsible for the cost of equipment, materials, hard copy and electronic books, and lab fees. Additionally, Unemployment Waivers require the student to pay the unemployment registration fee, not to exceed \$20. Payment is due at the time of registration.
5. Any grants and/or scholarships received as a result of Financial Aid eligibility, unless otherwise noted, will be applied to tuition first before covering the cost of any item mentioned above. This may reduce or eliminate the waiver.

### *National Guard Waivers*

1. Individuals must submit an original Commander's Letter of Certification (NJDMVA form 621-2-15NOV00) each time they register for classes. This letter must be dated no more than 60 days prior to registration.
2. Students must declare a major of study (undecided is not acceptable) and maintain a 2.00 Grade Point Average (GPA).
3. Students must not register before a specific date each semester (date determined by the Office of Financial Aid).
4. Students are responsible for the cost of all fees, equipment, materials and hard copy and electronic books, and health insurance.
5. Any grants and/or scholarships received as a result of Financial Aid eligibility, unless otherwise noted, will be applied to tuition first before covering the cost of any item mentioned above. This may reduce or eliminate the waiver.

### **Tuition Waivers NOT Requiring FAFSA Application**

Currently, this includes Senior Citizens, High School Option (HSOP) and Dual Credit Programs, and Volunteer Tuition Credit Program waivers.

### *Senior Citizen Waivers*

1. Senior citizens age 60+ with proof of age are eligible for a waiver of tuition cost only for credit courses as long as there is space available and there is no additional cost to the College as a result of the waiver.
2. All other costs; all per credit fees (General Service Fee, Capital Construction Fee, etc.), lab and course fees, books, and materials are the responsibility of the eligible senior citizen.
3. The tuition cost only waiver will be determined periodically by the Board of Trustees.
4. Senior citizens are not required to pay the College application fee.
5. Senior citizens are not required to apply for financial aid, however, if eligible for financial aid, or any other sources, this may reduce or eliminate the waiver.

*High School Option (HSOP) and Dual Credit Program Waivers*

1. The discounted rate applies to tuition and course fees.
2. Eligible students are responsible for the cost of textbooks in addition to the discounted rate.
3. Eligibility expires after high school credential is earned with an age restriction equal to or less than 18 years of age.

*Volunteer Tuition Credit Program Waivers*

1. Members of a volunteer organization (volunteer fire company, first aid, or rescue squad) who are active and in good standing, their spouses, and their dependent children as determined by the volunteer department policy are eligible as long as there is space available and there is no additional cost to the College as a result of the credit.
2. Each volunteer must obtain a letter of eligibility either for themselves or their dependents from their company. Each letter must be signed with an original signature and a company seal to be turned in to the Business Office for credit classes or to the Continuing Education Center for non-credit classes before or at the time of payment.
3. Eligible students will receive a tuition-only credit of up to \$600 per school year or \$2400 over a four year period. This is the total amount allowable for both credit and non-credit classes.
