

**Rowan College
of South Jersey**

Policy: 5007
Title: **USE OF COLLEGE VEHICLES**
Area: Facilities
Approved: 07/01/19
Revised: 03/18/25

It is the policy of the College to own and maintain a limited number of vehicles for approved travel for full-time and part-time College employees, the transportation of student athletes for scheduled events, College approved activities, and the operation of fleet vehicles; e.g., Security, Facilities and Administration, as availability permits.

All drivers of College vehicles must have and maintain a valid driver's license. Drivers are required to provide their consent to release their motor vehicle records.

The President will have administrative procedures developed for the appropriate use and operation of the fleet.
