Area: Student Services
Approved: 07/01/19
Revised: 07/13/21

Students with a cumulative grade point average (GPA) between 2.000 and 3.499 may register for a maximum of 18 credits during the fall, spring, and summer terms. In order to exceed the 18 credit limit, students must have written approval from the Director of Advising or appointee. Students with GPAs of 3.500 or higher may exceed the 18 credit limit without the Director of Advising's written approval, but must meet with an academic advisor since credits over 18 must be manually processed through Student Records.

All students are limited to taking eight (8) credits during the winter term, with no limit for students with GPAs higher than 3.500. In order to exceed the eight (8) credit limit, students must have approval from the Director of Advising or appointee.
