Policy: 8701
Title: **DEATH OF A STUDENT**
Area: Student Services
Approved: 03/08/22

The death of a student denotes a loss for the College community as well as for the family and friends of the deceased. In the event of a student death, the College community will respond with concern, care, and respect for the student and his/her family and friends. This policy is intended to assist College personnel who are responsible for executing the tasks that are the result of such an unfortunate event.

The College has established administrative procedures for responding to the death of a student, on or off campus, including grief counseling, student records, financial accounts, personal property, academics, family member contacts, and various other matters.

Please refer to administrative procedure *8701 Death of a Student*, for the specific actions required to address the needs of the deceased and his/her family in a timely manner.
