Title: **OFFICE OF SAFETY AND SECURITY**
Area: Safety and Security
Approved: 07/01/19
Revised: 03/18/25

The safety and security of all members of the College and the protection of College property are of the utmost importance to the Board of Trustees and Administration. This safety and security function has been assigned to the Office of Safety and Security.

The Office of Safety and Security will be organized and staffed in such a way that the following are accomplished on the College campus or property controlled by the College:

- Protection of an individual's constitutional rights;
- Maintenance of a feeling of security and well-being on campus;
- Creation and enforcement of safety and security administrative procedures and directives;
- Coordination of effort with local, state, and federal law enforcement authorities;
- Enforcement of local, state, and federal laws related to the mission;
- Identification and elimination of hazards and/or opportunity for crime;
- Assistance with the development of crisis management plans;
- Maintenance of effective crime prevention;
- Preparation of security reports, as required;
- Testing and inspection of protective controls and devices to deter and detect crime, fire, and life safety hazards;
- Establishment and maintenance of procedures to deter the occurrence of traffic accidents, vehicular congestion, and parking violations;
- Lost and found services;
- Emergency first aid, CPR/AED, and EMS support;
- Investigation of crimes, incidents, and accidents; and
- Protective escort services.
