

**Rowan College of South Jersey
Associate in Arts (A.A) in
Liberal Arts/Art Therapy
Transfer Program Requirements
Suggested Four Semester Sequence of Courses**

For students who want to transfer into a bachelor's degree program in art therapy. The option offers a strong foundation in the fundamentals of art therapy. Students who wish to pursue a degree in art therapy will learn to explore an individual's problems and potential, while using art to cultivate physical and emotional well-being. The curriculum includes an interaction between theoretical learning and artistic learning. Students who have completed the program will be able to:

- Analyze the relationship between art making and art therapy.
- Use a variety of art materials and therapeutic art techniques to gain an understanding of the healing nature of the art process.
- Identify the major theoretical approaches of the pioneers who developed art therapy as a profession.
- Identify and discuss the developmental stages of art, the therapeutic process, and the stages of therapy.
- Locate, retrieve, and critically evaluate information and information sources.

First Year

Fall Semester

		Credits
