

ROWAN COLLEGE OF SOUTH JERSEY – CUMBERLAND CAMPUS
BUSINESS ADMINISTRATION
Associate in Science (A.S.)
Program Requirements

The Business Administration program gives students a broad introduction to business while preparing them for transfer to a four-year institution. The curriculum meets the requirements of the first two years of study at most colleges and universities. Students who have completed the program will be able to:

- Transfer credits toward a baccalaureate degree at a four-year institution
- Demonstrate in-depth knowledge and understanding of essential business skills, such as management, marketing, accounting and computing
- Identify, apply and integrate functional business knowledge to analyze and resolve business related problem situations.
