Special Admission Requirements

- Practical Nursing is a selective admission program. Students must be accepted to the program prior to registering for any PRAC courses.
- Admission packets can be found on the College website.
- Clinical agencies require criminal history background checks (CHBC) for all individuals engaged in patient care. All students must undergo a CHBC upon acceptance into the Practical Nursing Program. CHBC results are sent to the clinical agencies, who have sole discretion to decide if the student may engage in patient care at the agency. If a student is denied the opportunity to participate in the clinical agency as a result of the findings of the CHBC, the student will be dismissed from the Practical Nursing Program.
- Students who do not meet pre-requisite and co-requisite course requirements and/or grade requirements will not be able to progress in the Practical Nursing program.
- Students must complete the Practical Nursing program in two years from the start of the first Practical Nursing course.
