Academic Certificate in  
Entertainment Technology  
Transfer Program Requirements  
Suggested Four Semester Sequence of Courses**

The Communication and Theatre departments are collaborating to create an Academic Certificate to offer training in the Entertainment Technology field. This unique program is designed to prepare individuals to work as skilled technicians, capable of functioning independently, or as part of a production team in the preparation and performance of theatrical/entertainment events. Students will have an opportunity to get real-world experience as they complete the required internship in this program. Students who have completed the program will be able to:

- Collaborate with others to produce a live stage performance or film/ television production.
- Maintain, prepare and operate stage and studio lighting and sound equipment.
- Choose appropriate tools, techniques and materials for stage and studio design and creation.
- Prepare, perform and analyze acting for television skills including interview, drama and comedy techniques.
