Associate in Fine Arts - Transfer

This program is designed so that Theatre majors gain experience in all areas of theatre production. The program is performance based and students in the program will complete foundation courses in theatre performance studies along with general education requirements. This combination of courses will allow them the ability to transfer to a four year program. This program is for students who are looking for a directed course of study that will prepare them for transfer to a BFA degree program in theatre or to enter the field as a professional.
