

# Pathway to Nursing

The Pathway to Nursing offers current and aspiring employees of Inspira Health the opportunity to save big while earning their B.S.N.

Students following this path utilize the “3+1” program, offered in collaboration with flagship partner Rowan University, to complete their first three years of education at RCSJ and their final year at Rowan University. Inspira employees save 50% on RCSJ’s tuition and fees for the first three years and will have their fourth-year tuition at Rowan University paid in full by Inspira Health.

The “3+1” Nursing program is open to all individuals who meet academic criteria, but students are encouraged to explore full-time, part-time and per diem job openings at Inspira Health and secure their place on the pathway to graduating with minimal debt and gainful employment in South Jersey.
