

Repeat Course Work

Regulations now permit students to retake any previously passed course only one time. If you are in the second retake (*third enrollment*) of a previously passed course, financial aid will **not** count that class in your enrollment for the term and financial aid could be adjusted to reflect the lower enrollment.

“Passed” means a course was completed with a grade of D- or P and higher.

Examples of repeat course work:

| | 1 st Attempt | 2 nd Attempt | 3 rd Attempt | FA Eligibility |
|-----------|-------------------------|-------------------------|-------------------------|--|
| Student A | F | F | Enrolled | Yes, student is eligible for financial aid. |
| Student B | F | C | Enrolled | Yes, However the student cannot attempt the course a 4 th time |
| Student C | D | F | Enrolled | No, Student has passed the class and was already given a 2 nd attempt |
| Student D | W | F | Enrolled | Yes, student has not passed yet |
| Student E | C | W | Enrolled | No, student has already passed the course W will count as an attempt |

*This applies to **all** students regardless of any policy within an academic program requiring a higher grade in the course.*

The following action will occur following the add/drop period of each term:

- If a student retakes a course that is not aid eligible, a recalculation of aid and enrollment status will be completed to exclude the credits for the repeated course.
- Students will receive notification if they are an aid applicant and attempt to repeat course work beyond the limits.

Students may see any adjustments of their aid by viewing their awards on the Rowan College of South Jersey Portal. Adjustments to financial aid and notification of such will occur following the add/drop period of each term. This may result in the student repaying part of their federal aid.

Example of enrollment status changes will affect the amount of Federal Aid awarded in a term:

| | Enrollment Status | Grant Eligibility | Repeat Course | New Enrollment | Status |
|---------|----------------------------------|-------------------|--------------------------|--------------------------|--------|
| Student | 12 credits (Full time Status) | \$2775 | One Class (3 credits) | 9 credits (3/4 times) | \$2082 |
