\* **Unregister:** students must unregister classes before the semester begins or during the unregister/add period to avoid owing a bill. An unregistered class does NOT appear on the student's transcript and can be processed online through Self Service or in person at the Enrollment Services One Stop Office. Unregistered course(s) done *In-Person* must be done prior to *Online* deadlines, during One Stop business hours.

\*\***Drops:** students dropping from a course after the 100% unregister/add period must see an advisor to fill out the proper paperwork to officially drop a course. In addition, the student will owe the full cost of the course, receive a W on their official transcript, and it will affect academic progress.

*The above refund schedule applies to credit class enrollment only. Administrative unregisters or removal from classes, for any reason, forfeits all refunds.*
