OH 108 Herbaceous Plants

Syllabus

Lecture Hours/Credits: 3/3

Catalog Description

Prerequisites RD 100, EN 060

The knowledge and identification of plants is an essential skill required for persons pursuing a career in horticulture. In this course students participate to learn plant identification, culture and maintenance of selected spring and early summer blooming herbaceous annual, biennial, perennial, weeds and aquatic plants. Using acquired skills, the students will learn to identify plants using botanical nomenclature and apply knowledge of plant culture for use on commercial; residential design layouts.

Textbook and Course Materials

It is the responsibility of the student to confirm with the bookstore and/or their instructor the textbook, handbook, and any other materials required for their specific course and section.
