**MAT 105: INTERMEDIATE ALGEBRA
 SYLLABUS
 LECTURE HOURS/CREDITS: 4/4**

CATALOG DESCRIPTION

Prerequisite: RDG 099 – Introduction to College Reading III and grade of C or higher in MAT 050 – Elementary Algebra or MAT 051 – Elementary Algebra Review or equivalent

This is a systematic study of topics in intermediate algebra, commencing with the development of the real number system and its properties. Topics include special factoring methods, solutions of linear and quadratic equations, rational expressions, absolute values, inequalities, graphing, radicals, exponents, and functions.

TEXTBOOK AND COURSE MATERIALS

It is the responsibility of the student to confirm with the bookstore and/or their instructor the textbook, handbook and other materials required for their specific course and section.

Please see current textbook prices at rcgc.bncollege.com

EVALUATION AND ASSESSMENT

Grading Distribution

<p>Individual instructors may include the following assessment(s):</p> <ul style="list-style-type: none"> • Exams • Quizzes • Class Discussions • Written Assignments • Attendance and Participation 	<p>Grading to be determined by individual instructors</p>
--	---

Grading Scale Example

The grading scale for each course and section will be determined by the instructor and distributed the first day of class.

ROWAN COLLEGE AT GLOUCESTER COUNTY CORE COMPETENCIES

(Based on the NJCC General Education Foundation - August 15, 2007; Revised 2011)

This comprehensive list reflects the *core* competencies that are essential for all RCGC graduates; however, each program varies regarding competencies required for a specific degree. Critical thinking is embedded in all courses, while teamwork and personal skills are embedded in many courses.

RCGC Core Competencies	
1	Written and Oral Communication Students will communicate effectively in both speech and writing.
2	Quantitative Knowledge and Skills Students will use appropriate mathematical and statistical concepts and operations to interpret data and to solve problems.
3	Scientific Knowledge and Reasoning Students will use the scientific method of inquiry, through the acquisition of scientific knowledge.
4	Technological Competency Students will use computer systems or other appropriate forms of technology to achieve educational and personal goals.
5	Society and Human Behavior Students will use social science theories and concepts to analyze human behavior and social and political institutions and to act as responsible citizens.
6	Humanistic Perspective Students will analyze works in the fields of art, history, music, or theater; literature; philosophy and/or religious studies; and/or will gain competence in the use of a foreign language
7	Historical Perspective Students will understand historical events and movements in World, Western, non-Western or American societies and assess their subsequent significance.
8	Global and Cultural Awareness Students will understand the importance of a global perspective and culturally diverse peoples.
9	Ethical Reasoning and Action Students will understand ethical issues and situations.
10	Information Literacy Students will address an information need by locating, evaluating, and effectively using information

MAT 105 CORE COMPETENCIES

This course focuses on one of RCGC's Core Competencies:

- Quantitative Knowledge and Skills

STUDENT LEARNING OUTCOMES: MAT 105 – INTERMEDIATE ALGEBRA

Successful completion of MAT 105 will help students:	RCGC Core Competencies	Evaluation / Assessment (Additional means of evaluation may be included by individual instructors)
1. Identify and solve linear and non-linear equations and inequalities including: <ol style="list-style-type: none"> a. Linear b. Quadratic c. Rational d. Polynomial e. Square Root f. Absolute Value 	- Quantitative Knowledge and Skills	- Homework, Quizzes, Assignment, Exams
2. Identify and analyze functions including: <ol style="list-style-type: none"> a. Linear b. Quadratic c. Rational d. Polynomial e. Square Root 	- Quantitative Knowledge and Skills	- Homework, Quizzes, Assignment, Exams
3. Communicate accurately using mathematical terminology and notation in written and oral form to identify function models, solve problems and interpret found solutions.	- Quantitative Knowledge and Skills	- Homework, Quizzes, Assignment, Exams

MAT 105 TOPICAL OUTLINE

Review of Basic Algebraic Concepts

- Sets of Number and Interval Notation
- Operations on Real Numbers
- Simplifying Algebraic Expressions

Linear Equations and Inequalities in One Variable

- Linear Equations in One Variable
- Applications of Linear Equations in One Variable
- Applications of Geometry and Literal Equations
- Linear Inequalities in One Variable
- Compound Inequalities
- Absolute Value Equations
- Absolute Value Inequalities

Linear Equations in Two Variables and Functions

- Linear Equations in Two Variables
- Slope of a Line and Rate of Change
- Equations of a Line
- Applications of Linear Equations and Modeling
- Introduction to Relations
- Introduction to Functions
- Graphs of Basic Functions

Systems of Linear Equations

- Solving Systems of Linear Equations by the Graphing Method
- Solving Systems of Linear Equations by Using the Substitution Method
- Solving Systems of Linear Equations by Using the Addition Method
- Applications of System of Linear Equations in Two Variables

Polynomials

- Properties of Integer Exponents and Scientific Notation
- Addition and Subtraction of Polynomials and Polynomial Functions
- Multiplication of Polynomials
- Division of Polynomials
- Greatest Common Factor and Factoring by Grouping
- Factoring Trinomials
- Factoring Binomials
- Solving Equations by Using the Zero Product Rule

Rational Expressions and Rational Equations

- Rational Expressions and Rational Functions
- Multiplication and Division of Rational Expressions
- Addition and Subtraction of Rational Expressions
- Complex Fractions
- Solving Rational Equations

Radicals and Complex Numbers

- Definition of an nth-Root
- Rational Exponents
- Simplifying Radical Expressions
- Addition and Subtraction of Radicals
- Multiplication of Radicals
- Division of Radicals and Rationalization
- Solving of Radical Equations
- Complex Numbers

Quadratic Equations and Functions

- Square Root Property and completing the Square
- Quadratic Formula
- Equations in Quadratic Form
- Graphs of Quadratic Functions
- Vertex of a Parabola: Applications and Modeling

Conic Sections

- Distance Formula, Midpoint Formula and Circles

Affirmative Action Statement

The Board of Trustees is committed to providing an educational and workplace environment free from unlawful harassment and discrimination. All forms of employment and educational discrimination and harassment based upon race, creed, color, national origin, age, ancestry, nationality, marital or domestic partner or civil union status, sex, pregnancy, gender identity or expression, disability, liability for military service, affectional, or sexual orientation, atypical cellular or blood trait, genetic information (including refusal to submit to genetic testing) are prohibited and will not be tolerated.

For questions concerning discrimination contact Almarie J. Jones, Executive Director, Diversity and Equity, Affirmative Action/Title IX Officer at 856-415-2154 or ajones@rcgc.edu.

For disability issues, contact Dennis M. Cook, Director, Department of Special Services, ADA/504 Officer at 856-415-2265 or dcook@rcgc.edu.

Department of Special Services

The Department of Special Services, located in the Instructional Center, room 425A, welcomes students of all abilities. The staff members in Special Services are committed to providing support services and ensuring equal access to eligible students with documented disabilities as outlined by the Americans with Disabilities Act (ADA) and the Americans with Disabilities Act with Amendments Act (ADAAA).

To maximize the potential of eligible students who self-identify, the Special Services staff provides an array of support services which may include extra time for tests and quizzes, testing in a separate location, advisement, interpreters, scribes, tutors, assistive technology (such as magnification devices and audio amplification), touch screen computers, audio books and note-taking assistance.

As students embark on their academic journey, they are encouraged to meet with staff members to identify, develop and implement support services that are in accord with their individual academic needs. Students are also encouraged to make use of other college support services that are available to all RCGC

students currently enrolled in credited academic courses, such as tutoring services and the college library, which offer online information research and other materials needed to complement their studies.

Students registered with the Department of Special Services and who plan to earn an associate degree, further their education and transfer to a four-year institution, or enter the workforce, are encouraged to choose a corresponding program of study (college major) as soon as possible. The Special Services staff assists enrolled students with additional support that focuses on advancing students through their selected programs of study towards a goal of graduating.

Students who request academic support from the Department of Special Services can be assured that confidentiality will always be maintained. Accommodations are provided to address the special needs of individuals with disabilities under Section 504 of the 1973 Rehabilitation Act and the Americans with Disabilities Act (ADA) of 1990 together with the ADA Amendments Act of 2008 (ADAAA). Under these acts, the office advocates a user-friendly campus for accessibility and a learning-friendly campus for academic success.

For more information or to schedule an appointment to meet Special Services staff, please call 856-415-2265 or visit RCGC.edu/SpecialServices.

To Register with Special Services

Students must follow these steps:

- Complete and submit the Student Profile form. Access the [Student Profile Form](#).
- Submit documentation detailing the student's disability. Support services will not be granted without documentation specifying the student's disability. Documentation should include the following information:
 - a. Diagnosis with written evaluation of current disability;
 - b. Date the student was diagnosed;
 - c. Tests used to reach diagnosis;
 - d. Credentials of the medical professional conducting evaluation; and
 - e. How the disability affects daily activities and/or academic performance.
- By clicking on the following links, students can download the [Special Education Records Release Form](#) and/or Medical Release Form to present to their medical care professional.
- Contact the Special Services office to schedule a meeting with a staff member.
 1. Students should schedule a meeting after submitting the [Student Profile Form](#), proper documentation and completing the College's placement test. (Click on [Special Accommodations for Placement Testing](#) to determine whether student should arrange his/her placement test through the Special Services office or the general Testing Center.
 2. During the meeting, the student and staff member will discuss his or her disability and determine eligible accommodations.

Accommodations

Students who qualify for accommodations are encouraged to register with the Department of Special Services at RCGC before they begin their academic career at Rowan College. This allows students to take advantage of any special accommodations and auxiliary aids that they might need and be eligible to receive.

- **Special accommodations** include but are not limited to extended time on tests, private test rooms to complete tests with the assistance of a reader or scribe, as well as a distraction-free test room.
- **Auxiliary aids** include but are not limited to note takers, tape recorders, large display calculators, interactive calculators, desktop magnifiers, large-screen computer monitors, touch-screen computer monitors, touch-screen laptop computers and JAWS® software. More information about adaptive technology can be found on the [technology](#) link. Students are responsible for identifying which accommodations and auxiliary aids they require for academic support.

Confidentiality

Students who register with the Department of Special Services are assured that their information is kept confidential.

In addition, the student's transcript will not indicate that the he or she is registered with the Department of Special Services. The student's specific special need is not disclosed to the student's instructors. However, accommodation letters are sent to each of the student's professors if the student needs testing accommodations or accommodations in the classroom. It is the student's choice whether or not to disclose the specifics of his or her special need.
